Re: Annual Report  
NSPS Subpart OOOOa  
Range Resources-Appalachia, LLC

To Ms. Vazquez:

Range Resources-Appalachia, LLC is submitting this annual report to meet the requirements of New Source Performance Standard Subpart 0000a (40 CFR §60.5420a).

The attachments contain the required information for the affected facilities operated by Range Resources-Appalachia, LLC during the compliance period of August 3, 2018 through August 2, 2019. In accordance with the rule, this annual report is being submitted within 90 days of the end of the compliance period (October 31, 2019). The reporting requirements are summarized as follows:

- §60.5420a(b)(1): The general information specified in paragraphs (b)(1)(i) through (iv) of this section.
- §60.5420a(b)(2): For each well affected facility, the information in paragraphs (b)(2)(i) through (ii) of this section.
  - Well affected facilities constructed during the reporting period are included in this report.
- §60.5420a(b)(3): For each centrifugal compressor affected facility, the information specified in paragraphs (b)(3)(i) and (ii) of this section.
  - Range does not operate any centrifugal compressor affected facilities as identified in §60.5365a(b).
- §60.5420a(b)(4): For each reciprocating compressor affected facility, the information specified in paragraphs (b)(4)(i) through (ii) of this section.
  - Range does not operate any reciprocating compressor affected facilities as identified in §60.5365a(b).
